

Fire Risk Assessments

Are you fired-up or fed-up with fire risk assessments?

NLTG are able to carry out Fire Risk Assessments for your premises as is required by The Regulatory Reform (Fire Safety) Order 2005.

What's involved?

How:

Full fire risk assessment including work place inspections and consultation with company/organisation.

Undertaken by:

Experienced, competent health and safety advisors (IOSH accredited).

Cost:

£60 per hour fire risk assessment including writing of report plus travel costs.

Benefits:

Full assessment report compliant with current fire safety legislation.

Identification of fire hazards in your work place.

Summary of significant findings and action plan.
