OPERATIVE PROVISIONS

1. INTERPRETATION

- 1.1 In this Agreement, the following words and expressions shall have the following meanings:

Active Learning (also referred to as Off-the-Job Training) refers to the training that is being funded through the Apprenticeship. There are two types of active learning: OTJT active learning and EM active learning. These refer to off-the-job training and English and maths provision respectively.

Additional Payments refers to extra funding to help with the additional costs of training specific groups of Apprentices. The different types of Additional Payments are: the 16 to 18 payment, the eligible 19 to 24 payment, Learning Support and the Care Leaver Bursary.

Annual Leave means paid time off work that Employees are entitled to. For Apprentices that work 30 hours or more per week, this is at least 28 days per year (this is called statutory leave entitlement).

Apprentice means an individual who is doing an Apprenticeship and is engaged under an Apprenticeship Agreement (or an alternative English Apprenticeship).

Apprentice Rate is the minimum hourly rate Apprentices are entitled to if they are either aged under 19 or aged 19 and over and in their first year of an Apprenticeship. We encourage employers to pay more than the Apprentice Rate. View the [National Minimum Wage](http://www.gov.uk/national-minimum-wage) rates on GOV.UK.

Apprenticeship means a job with training. This includes the training and End-Point Assessment. The full definitions of an approved English Apprenticeship can be found in Part 1 of the [Apprenticeships, Skills, Children and Learning Act 2009](http://www.legislation.gov.uk/ukpga/2009/28/section/5). An Accelerated Apprenticeship is where the Apprentice's planned duration is shorter (by at least 3 months) than the typical duration of the Apprenticeship Standard, based on Prior Learning. The minimum requirement of an Apprenticeship must still be met, including the 12-month minimum duration and minimum volume of Off-the-Job Training.

Apprenticeship Agreement is an Apprenticeship Agreement between an employer and an Apprentice, in accordance with section A1 of the [Apprenticeships, Skills, Children and Learning Act 2009](http://www.legislation.gov.uk/ukpga/2009/28/section/5).

Apprenticeship Certificate means a certificate used to provide formal recognition that an individual has achieved their Apprenticeship and is therefore certified.

Apprenticeship Levy (also refers to Levy Funding and Levy Funded) is a Levy on UK Employers to raise funds to pay for Apprenticeship training and assessment. It is charged at 0.5% of an Employer's pay bill, but each Employer receives an allowance of £15,000 to offset against their Levy payment. As a result of this allowance, only Employers with an annual pay bill greater than £3 million must pay the Levy. Levy payments are made monthly to HMRC.

Apprenticeship Standard means a Standard approved by the Department and published by the Secretary of State, and assessed through a standardised End-Point Assessment, more particularly described in the Department's Funding Rules.

Assessment see 'End-Point Assessment.'

Agreed Break in Learning is where an individual takes a break of at least a clear calendar month from their Apprenticeship but plans to return to it in the future. This can be instigated by either the provider (in relation to active learning) or by the learner.

Care leaver's Bursary means an Additional Payment of £3,000 (paid in three instalments) paid to Apprentices who are in care or are care leavers, and who started their apprenticeship training on or after 1 August 2023. This is paid via the Apprentice's Provider.

Certificates are issued by Awarding Bodies to demonstrate an individual's qualifications, for example Level 2 English and maths.

Change of Circumstance means a change in an Apprentice's personal or employment circumstances, or to their Apprenticeship. There are different actions to take and effects on funding depending on the type of change.

Co-investment is where the Government shares the cost of training and assessing Apprentices with Employers. The Government will support the following types of Employers: non-Levy payers and Levy payers who have run out of Levy Funds. For Apprenticeships that started on or after 1 April 2019, Employers (who either do not pay the Levy or Levy payers who have run out of Levy funds) pay 5% towards the cost of Apprenticeship training. The Government will pay the rest (95%) up to the funding band maximum.

Completion Payment is a Government payment made to Providers when an Apprentice completes all their learning and undertakes the End-Point Assessment. This payment is 20% of either the total negotiated price or the funding band maximum, whichever is lower.
